- Wintergrandprix

The originator of this Grand Prix competition was Marko Leppä. This competition perpetuates his legacy!
The Grand Prix encompasses high-pressure scenarios, intense focus, profound emotions, and considerable enjoyment!
Only the winners and any fortunate losers from each pair progress to the next competition. Following each knockout match, a draw will establish your subsequent opponent, whom you must overcome to advance!

Sius Ascor target devices are utilized. Only 80 athletes may participate in the Grand Prix competition (rifle/pistol).

There has been earlier participant teams from
USA, LAT, NOR, EST, FIN

Lower "Early Bird" prices from 1st Sep. to 15th Oct 2026!

Registration on web must be done before 15.11.2026!

There is a free transportation for groups from Helsinki Airport (45km) to Kisallio
